I got the package, thank you!

Kerry, would you please scan/email me a copy of the cover page for the Work Plan (with your signature and date signed)? I need this for Exhibit A.

(I'm attaching the map I emailed you as Exhibit B)

Kathy, would you please send me the final Work Plan? I can't route this for concurrence until I have it (Exhibit A) . . .

It is not (see Kerry's name)(See attached file: Document.pdf)

You choose the map, Kerry - either print the one I sent or color copy the map from the WPlan & attach it as Appendix B part of the AOC you sign & FedEx.

If they're the same thing, can we use the one attached to the WPlan, so  
Kerry knows what he's signing and Kevin can go home? I've seen plenty of

Its really the same thing. Both are generated by Tetra Tech. Ours was based on lat longs but both should represent the current soils boundary. Sent from my BlackBerry wireless handheld.

This is the first time I have seen this map! I am in the field and can't view it on my blackberry

I can't get to my office for an hour

There is a map attached to the work plan

Why don't y'all include the approved Work Plan (including that cover approval sheet w/3 signatures that Kathy has/will scan and send to you) in the Fed Ex package along with the AOC? Does that work? Should I be more demanding?

Oh and here's the map Kathy approved to be Appendix B which, again, you may attach, or we will:
